WORK

ART DIRECTOR BOILING POINT 1.14-NOW

As art director, I'm in charge of creating and over seeing graphic design, commercials, social media videos, or long form videos from start to finish using PhotoShop, Illustrator, After Effects, Premiere Pro, Blender, and more.

VIDEOGRAPHER BLASTTRAC 2.13-12.13

As the videographer, I was filming and editing instructional videos for all the machines that were created in the North American location. I was also in charge of creating and maintaining spec sheets for all products. I'd also create all advertisements for social and trade show banners.

GRAPHIC DESIGNER MYIPGI.COM 7.12-11.12

Designed t-shirt, exported designs for screen printing, and created imprints for various products.

GRAPHIC DESIGNER FORT-THUNDER HARLEY DAVIDSON EVENT COORDINATOR 2.12-5.12

My duties were keeping track on online inventory, and design and execute themes for VIP/customer appreciation events.

GRAPHIC DESIGNER MONSTER GRAPHX 7.11-2.12

As a graphic designer my job was to create logos, design vehicle wraps, signs, and more. As a graphic designer my job was to create logos, design vehicle wraps, signs, and more.
